Good Morning Everyone,

I hope you are all doing fine. I just want to give an update on the medallions project. I had a meeting with the Harvard Heights Historical Preservation Overlay Zone on Wednesday night and they are happy to write a letter of support for the installation of medallions along Pico from Normandie to Western. They were the last step in the approval process so we are moving forward.

A prototype is being fabricated and should arrive this month. Once BSL issues the installation permit, we will order the remaining medallions. I hope to hold an unveiling ceremony sometime in June. Let's keep our fingers crossed.

See you all on May 1.
